To Whom It May Concern,

High Plains School is a PreK–8 STEAM-focused community dedicated to empowering students through innovation, real-world learning, and inclusivity. On **September 19, 2025**, our Parent Teacher Community Organization (PTCO) will host the 8th Annual Bison Stampede Jog-a-Thon—our only all-school fundraiser.

This high-energy event brings students, staff, and families together to celebrate wellness, school spirit, and community. We are seeking corporate sponsors to help make this year's event our most impactful yet—with a **special focus on funding a more inclusive playground** to ensure every student can safely play, connect, and thrive.

WHY SPONSOR?

As a sponsor, your business will receive meaningful exposure throughout our school community:

- **Logo on 600+ event T-shirts** worn by students, staff, and volunteers
- **Optional goodie bag inserts** for direct family engagement
- **Top-tier sponsors receive year-round signage** on campus
